

2006 PRONGHORN HUNTING SEASONS

Doe or fawn only: Only pronghorn without a black "cheek patch" or with horns less than 3 inches long may be taken during doe or fawn only pronghorn seasons.

Pronghorn archery tags may be purchased for use in any archery pronghorn hunt. Controlled hunt permits and tags issued for pronghorn controlled hunts may be used only in the hunt for which the permittee was drawn.

Any person who purchases an archery pronghorn tag who is subsequently drawn for a controlled hunt must return the unused archery tag to an IDFG office to exchange it for the controlled hunt tag at a cost of \$3.75.

Any person who receives a controlled hunt permit and tag for pronghorn is prohibited from hunting in any general season archery pronghorn hunt.

Attention Pronghorn Archery Hunters!

Don't give your sport a black eye. Did you know that leaving blind material is considered littering? And, digging pits on federal land is a violation of federal law? For information on how to construct a legal blind, contact your local Bureau of Land Management office.
